

Dear Parent Scholarship Applicant:

Thank you for your interest in participating in our Parent Scholarship Program. In response to your inquiry we are enclosing a scholarship application form. Please fill out this form and return it to our home office in Boise. Please include a copy of your completed registration to the event you are attending, as well as a brochure and agenda describing the event. You must request funds at least 30 days prior to the event you hope to attend.

In the past few years we have had to turn down some families that have asked for scholarships because, once we reviewed the full request, the activity has not met our funding requirements. We are therefore asking you to **PLEASE SUBMIT ALL PARTS OF THE APPLICATION AND REGISTRATION TOGETHER AT ONE TIME.**

For your information we are also enclosing the report form that you will be required to submit if you are awarded the scholarship. Having this form in advance will help you understand the “sharing” component of this scholarship program and assist you in formulating your plan to fulfill this requirement. In order for us to fulfill our grant requirements for the scholarship program, we must collect and report information regarding how parents have shared the information they have gained with others. You will need to submit your final report within 30 days of attending your event and reimbursement can take up to 60 days following our receipt of this form.

An Idaho Parents Unlimited Parent Education Coordinator must speak with you by telephone once we receive all your information to verify all actual costs and application components and also to be sure you are asking for a qualifying activity in order for us to proceed with the final approval of your application.

Please feel free to call if you have questions.

Sincere best wishes,

Angela Lindig

Executive Director

Idaho Parents Unlimited
