

ENGAGE *lead*
educate **BRIDGE**

We help families of children with disabilities thrive by providing special education, health information, and support.

208.342.5584

EDUCATION

We guide families to be effective advocates and collaborative partners in their child's education.

HEALTH

We help families make informed decisions about healthcare systems in Idaho and build strong provider partnerships.

YOUTH

We encourage and support youth and families to dream big and plan confidently for the future.

HOW CAN IPUL HELP?

- 1:1 parent support
- Self-paced training
- In-person training
- Podcast: Unlimited Parenting
- Statewide and community resource sharing
